Quality Is Our Aim

**GAJ®**

STAINLESS STEEL

**Stainless Steel Door Kit**

## Company Profile

We have the capability to manufacture as per international standards keeping buyers specifications of quality, design and finish in mind. we have successfully catered to clients for many times and look forward to meeting your requirements. we strongly believe, the foundation and success of business is to ultimately satisfy the consumer and we promote this our products which are priced well within your reach.

With our vast experience as a builders hardware manufacturer and in-depth understanding of the global market, We have acquired a leading position in the industry. We aim at establishing higher quality standards for our products in assistance of our qualified quality controllers. Through our genuine efforts and requisite production facilities, We have been able to provide custom made products to our clients, thereby achieving customer satisfaction.

We have successfully withstand market competition and are not only standing firm but are growing exponentially. We are a well-established manufacturer of premium quality builder hardware and cabinet hardware including ferrous and non-ferrous hardware. We have been satisfactorily catering to the global demands of our product and have established a strong goodwill in the marketplace. We are well equipped to cater to our customer's requirements and can produce according to the client specifications.
